## Gender Me: Homosexuality in the World of Islam

Join us for a screening and discussion of this documentary that openly explores what it is like to be both gay and Muslim. Through the interrelated stories of a gay rights activist, a gay imam, drag artists, and others, Gender Me encourages discourse and engagement within Islam as a positive societal approach to coming to terms with sexual otherness, and seeks to advance a loving appreciation of the oneness of all humankind.

Dinner will be provided.
